From Becky:

"As a lover of dogs and all animals, it only seems natural for me to recreate images of our furry family members with my preferred medium of colored pencil. Specializing in contemporary art jewelry, I began trying my hand at miniature drawings that people can enjoy as moments frozen in one's own distinctive and personal piece of art. As a miniature picture, I work, from your very own favorite photograph. It will be my pleasure to repeat an image of the dog you desire. [Each piece is] mounted on reclaimed wood."

If piece needs to be shipped to the customer, that will be an additional charge.
